## Coconut Flavor Fountain, Natural/Artificial

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 05/06/2015 Version: 1

| Date of issue: 05/06/2015 Version: 1  |
|---|
| SECTION 1: Identification of the substance/mixture and of the company/undertaking   |
| 1.1. Product identifier   |
| Product name : Coconut Flavor Fountain, Natural/Artificial  |
| Product form : Mixture  |
| 1.2. Relevant identified uses of the substance or mixture and uses advised against  |
| Use of the substance/mixture : Food industry: component   |
| 1.3. Details of the supplier of the safety data sheet   |
| OliveNation LLC<br>50 Terminal Street<br>Bldg. 2, Ste. 712<br>Charlestown, MA 02129   |
| 1.4. Emergency telephone number   |
| Emergency number : CHEMTREC: Within USA and Canada: 1.800.424.9300 Outside USA and Canada: +1 703 527 3887  |
| SECTION 2: Hazards identification   |
| 2.1. Classification of the substance or mixture   |
| Classification (GHS-US)   |
| Not classified  |
|   |
| 2.2. Label elements   |
| GHS-US labeling   |
| No labeling applicable  |
|   |
| 2.3. Other hazards  |
| No additional information available   |
| 2.4. Unknown acute toxicity (GHS-US)  |
| Not applicable  |
| SECTION 3: Composition/information on ingredients   |
| 3.1. Substance  |
| Not applicable  |
| 3.2. Mixture  |
| *The specific chemical identities of the ingredients in this mixture, as well as, exact concentrations of any hazardous ingredients stated above, are considered trade secrets. This information is withheld in accordance with the provisions of 1910.1200 of the Code of Federal Regulations. |
| Full text of H-phrases: see section 16  |
| SECTION 4: First aid measures   |
| 4.1. Description of first aid measures  |
| First-aid measures general : Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible)   |

| First-aid measures after skin contact                      | : Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse.   |
|--|---|
| First-aid measures after eye contact                       | <ul> <li>Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness<br/>persist.</li> </ul>  |
| First-aid measures after ingestion                         | : Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.  |
| -  | effects, both acute and delayed   |
| Symptoms/injuries  | : Not expected to present a significant hazard under anticipated conditions of normal use.  |
|  | edical attention and special treatment needed   |
| No additional information available                        |   |
|  |   |
| SECTION 5: Firefighting measur<br>5.1. Extinguishing media |   |
|  | L Form Dry nourder Carbon diavida Water annu Cand   |
| Suitable extinguishing media                               | : Foam. Dry powder. Carbon dioxide. Water spray. Sand.  |
| Unsuitable extinguishing media                             | : Do not use a heavy water stream.  |
| 5.2. Special hazards arising from th                       | e substance or mixture  |
| No additional information available                        |   |
| 5.3. Advice for firefighters                               |   |
| Firefighting instructions                                  | : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment.                               |
| Protection during firefighting                             | : Do not enter fire area without proper protective equipment, including respiratory protection.   |
| SECTION 6: Accidental release r                            | neasures  |
| 6.1. Personal precautions, protectiv                       | /e equipment and emergency procedures   |
| 6.1.1. For non-emergency personnel                         |   |
| Emergency procedures                                       | : Evacuate unnecessary personnel.   |
|  |   |
| 6.1.2. For emergency responders                            |   |
| Protective equipment                                       | : Equip cleanup crew with proper protection.  |
| Emergency procedures                                       | : Ventilate area.   |
| 6.2. Environmental precautions                             |   |
| Prevent entry to sewers and public waters. N               | otify authorities if liquid enters sewers or public waters.   |
| 6.3. Methods and material for conta                        | ainment and cleaning up   |
| Methods for cleaning up                                    | : Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. Collect spillage. Store away from other materials.  |
| 6.4. Reference to other sections                           |   |
| See Heading 8. Exposure controls and persor                | al protection.  |
| SECTION 7: Handling and storage                            | ge  |
| 7.1. Precautions for safe handling                         |   |
| Precautions for safe handling                              | : Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. |
| 7.2. Conditions for safe storage, inc                      | luding any incompatibilities  |
| Storage conditions   | : Keep only in the original container in a cool, well ventilated place away from : Keep container closed when not in use.   |
| Incompatible products                                      | : Strong bases. Strong acids.   |
| Incompatible materials                                     | : Sources of ignition. Direct sunlight.   |
| 7.3. Specific end use(s)                                   |   |
| No additional information available                        |   |
|  |   |

# **OliveNation LLC.**

### SECTION 8: Exposure controls/personal protection

| 8.1.  | 1. Control parameters                       |                |  |
|-------|---|----------------|--|
| Cocon | Coconut Flavor Fountain, Natural/Artificial |                |  |
| ACGIH |   | Not applicable |  |
| OSHA  |   | Not applicable |  |

| 8.2. Exposure controls        |   |
|-------------------------------|---|
| Personal protective equipment | : Avoid all unnecessary exposure.                               |
|                               |   |
| Hand protection               | : Wear eye protection and protective gloves. protective gloves. |
| Eye protection                | : Chemical goggles or safety glasses.                           |
| Respiratory protection        | : Wear appropriate mask.  |
| Other information             | : Do not eat, drink or smoke during use.                        |

### SECTION 9: Physical and chemical properties

| 9.1. Information on basic physical and      | d chemical properties                |
|---|--------------------------------------|
| Physical state                              | : Liquid                             |
| Color                                       | : Refer to specification sheet       |
| Odor  | : characteristic                     |
| Odor threshold                              | : No data available                  |
| рН  | : No data available                  |
| Relative evaporation rate (butyl acetate=1) | : No data available                  |
| Melting point                               | : No data available                  |
| Freezing point                              | : No data available                  |
| Boiling point                               | : No data available                  |
| Flash point                                 | : > 200 °F                           |
| Auto-ignition temperature                   | : No data available                  |
| Decomposition temperature                   | : No data available                  |
| Flammability (solid, gas)                   | : No data available                  |
| Vapor pressure                              | : No data available                  |
| Relative vapor density at 20 °C             | : No data available                  |
| Relative density                            | : No data available                  |
| Specific gravity / density                  | : 1.019                              |
| Solubility                                  | : Miscible with water.<br>Water: N/A |
| Log Pow                                     | : No data available                  |
| Log Kow                                     | : No data available                  |
| Viscosity, kinematic                        | : No data available                  |
| Viscosity, dynamic                          | : No data available                  |
| Explosive properties                        | : No data available                  |
| Oxidizing properties                        | : No data available                  |
| Explosive limits                            | : No data available                  |
| 0.2 Other information                       |                                      |

#### 9.2. Other information

No additional information available

|          | ION 10: Stability and reactivity             |
|----------|--|
| 10.1.    | Reactivity                                   |
| No addi  | tional information available                 |
| 10.2.    | Chemical stability                           |
| Not esta | ablished.                                    |
| 10.3.    | Possibility of hazardous reactions           |
| Not esta | ablished.                                    |
| 10.4.    | Conditions to avoid                          |
| Direct s | unlight. Extremely high or low temperatures. |
| 10.5.    | Incompatible materials                       |
| Strong a | acids. Strong bases.                         |
| 10.6.    | Hazardous decomposition products             |
| fume. C  | Carbon monoxide. Carbon dioxide.             |

#### **11.1.** Information on toxicological effects

Acute toxicity

: Not classified

| Proprietary Flavor Ingredient - p322<br>LD50 oral rat | 20000 mg/kg (Rat; Experimental value)                               |
|---|---|
| LD50 dermal rat                                       | 22500 mg/kg (Rat; Experimental value)                               |
| LD50 dermal rabbit                                    | 20800 mg/kg (Rabbit; Experimental value)                            |
| ATE US (oral)   | 20000.000 mg/kg body weight   |
| ATE US (dermal)                                       | 20800.000 mg/kg body weight   |
| Skin corrosion/irritation                             | : Not classified  |
| Serious eye damage/irritation                         | : Not classified  |
| Respiratory or skin sensitization                     | : Not classified  |
| Germ cell mutagenicity                                | : Not classified  |
| Carcinogenicity                                       | : Not classified  |
| Reproductive toxicity                                 | : Not classified  |
| Specific target organ toxicity (single exposure)      | : Not classified  |
| Specific target organ toxicity (repeated exposure)    | : Not classified  |
| Aspiration hazard                                     | : Not classified  |
| Potential Adverse human health effects and symptoms   | : Based on available data, the classification criteria are not met. |

| 12.1.    | Toxicity                               |                  |
|----------|--|------------------|
| No addit | ional information available            |                  |
| 12.2.    | Persistence and degradability          |                  |
| Cocon    | ut Flavor Fountain, Natural/Artificial |                  |
| Persiste | ence and degradability                 | Not established. |

| Cocoput Flower Fountain Natural/Ar                               |   |  |
