

# DOUBLE ACTING ALUMINUM FREE BAKING POWDER BIAN

## PRODUCT SPECIFICATIONS SHEET

All materials shall be of edible grade, clean, sound wholesome and free from extraneous matter. Product shall be prepared following Good Manufacturing Practices and shall comply with the Federal Food, Drug and Cosmetic Act of 1938, as amended and with regulations issues pursuant to this act.

### INGREDIENT STATEMENT

Sodium Acid Pyrophosphate, Bicarbonate Soda, Corn Starch, Monocalcium Phosphate.

### SUGGESTED APPLICATIONS

Donuts, pancakes, waffles, and cookies.

### USAGE

Up to 6% by weight of the flour depending on formula used. A level of 5% for cakes produces optimum results. About 15% of the gas is released in mixing and on the bench, the remaining 85% of the gas is released in the oven, this action begins at 104-110° F.

OliveNation's Double Acting Baking Powder is aluminum free. It is especially applicable where the product requires rapid batter aeration and increased batter viscosity, such as pancakes or cakes. Because part of the leavening action occurs on the bench, batters that employ OliveNation Double Acting Aluminum Free Baking Powder should be used shortly after mixing.

### KOSHER CERTIFICATION

Certified Kosher Pareve

### SHELF LIFE & STORAGE

24 months if stored under cool (<75 F), dry conditions.

### COUNTRY OF ORIGIN

United States

### GMO STATUS

Product contains corn starch materials that may be from genetically modified crops. We have been assured by our suppliers that the corn products do not contain Starlink™ corn.

## DOUBLE ACTING ALUMINUM FREE BAKING POWDER BIAN

### MICROBIOLOGICAL STANDARDS

Characteristic	Specifications
Salmonella	Negative/375gm

### CHEMICAL STANDARDS

Characteristic	Specifications
Moisture Content	5% max.
Acitivity (as CO <sub>2</sub> )	15.2 - 16.4%
pH	6.8 - 7.2

### LOT CODING

An eight digit lot code format LMMDDYYL is used to identify the production line, date and sequence.

Lot L070114B indicates:

First Letter "L" = item was manufactured on production line L

First – Sixth Digits = month, date and year, e.g. July 01, 2014

Second Letter = "B" would indicate this is the second product produced on production line A.

The information herein is true and accurate to the best of our knowledge; however, this data sheet is not to be considered as a guarantee expressed or implied, or as a condition of sale of this product.
