BASIC PREP

Ready to use. Add to taste.

SUGGESTED USES

- Sprinkle on as seasoning or garnish in sauces, dips, omelettes, stuffings and main dishes
- Add parsley to foods after cooking is completed and just before serving to maintain optimum color
- Blend parsley into melted garlic butter for pasta or a steamed vegetable topper

RECIPE

Parsley Cream Potatoes

- 1 pound red potatoes
- 3/4 cup sour cream
- 1 tablespoon Parsley flakes
- 2 teaspoons kosher salt, divided
- 1/2 teaspoon ground black pepper
- 1/2 lemon

In a small bowl mix the sour cream and parsley. Hold in the refrigerator. Thoroughly rinse the potatoes. Cut the potatoes in half and place them into a large pot of cold water. Bring the water to a boil and simmer for about 20 minutes until the potatoes slide off of a fork when pierced. Strain the potatoes well and then sprinkle them with one teaspoon of salt. Hold them in the colander to dry further. After 2-3 minutes place the potatoes in a medium bowl and add the parsley cream. Fold the cream over the potatoes until covered, add the last teaspoon of salt and squeeze the half lemon over the potatoes. Serve immediately.

Serves 4

This familiar potato dish is a great accompaniment to poultry or fish. The tangy sour cream and lemon allow our parsley flakes to shine. Parsley has a subtle, earthy flavor and mixing the herbs with the cream ahead of time allows for enough hydration that the aroma and taste is clean and vibrant.
